

Firmar jornada como trabajador

Completar una jornada de trabajo

Para validar un día de trabajo, podemos marcar la casilla de completado (similar a la que aparece cuando vamos a completar una tarea) desde el propio control horario:

The screenshot shows the 'Control horario' interface. At the top, there is a navigation bar with a menu icon, a checkmark icon, and the text 'Control horario'. To the right, there is a green button labeled 'Anotar', a row of icons, and a yellow button labeled 'Iniciar 00:00' next to a notification bell icon with a red '4' and a red circle with 'M'. Below the navigation bar, there is a section for 'REGISTROS DIARIOS' with a sub-section 'Revisión #4'. There are two tabs: 'Control diario' (selected) and 'Control mensual'. To the right of the tabs, there is a '+ Crear registro' button and a 'Filtro(2)' dropdown. Below this, there is a list of records. The first record is 'Creado Thu, Aug 19, 2021 9:57 AM por dailyjob'. The second record is 'Actualizado Fri, Jun 16, 2023 6:36 AM por dailyjob'. Below the list, there is a table with the following columns: 'FECHA', 'H. ENTRADA', 'H. SALIDA', 'T. TIEMPO', 'H. EXTRA', 'VALIDADO', and 'TIPO'. The 'VALIDADO' column has a checkbox that is checked.
